

Scavenger Hunt Around Your House

3..2...1... GO!!

Find a book/magazine that has a picture of a sun in it	
Find something that can turn on and off	
Count how many pairs of socks are in your closet right now	
Find something that can float on water	
Try to find three different shapes around your house.	
Put on a piece of clothing in each color of the rainbow (red, orange, yellow, green, blue, purple)	
Go into the kitchen and have a glass of water	
How many green things do you have in your bedroom? (clothes don't count)	
Find something that makes a noise	
Find something that is as tall as you are	
How many spoons do you have in your kitchen drawer?	
Find something you can see through
