

What Can I Eat?

What Can I Eat?

How to play:

The presentation will show you an animal. You need to guess whether it's a Carnivore, Omnivore or Herbivore.

To guess you need to move to the designated side of the room. **Right for Carnivore, middle for Omnivore** and **left for Herbivore.**

If the majority of your class is standing in the correct spot then score yourself a point.

Tally up all your points at the end and remember them!

Have fun!
